EPC community palliative care - it is not what you think!

Would you like to have a trained volunteer come and speak to your group about the wonderful FREE services EPC offers, which include:

- Medical and Allied Health Services
- Dog walking and dogs that can visit you at home
- Companionship volunteers
- Biography writing
- Professional family photos
- Counselling and bereavement support for family and carers
- Support to complete an Advance Care Plan
- An ask anything Q&A session

Presentations can run for 20-60 minutes and can be tailored to your group's interests. They can be in person or via ZOOM - your choice.

To book your FREE presentation or learn more about this program visit www.epcvic.org.au/education

For all other enquiries call 1300 130 813 or email us at contactus@epcvic.org.au

EPC is proud to offer our Community Speaker Program free of charge, however donations or fundraising efforts are warmly welcomed to help support our work improving the lives of those living at home with a terminal or life limiting illness, and those who are caring for them.
